

How To Use Your Demi Hugger

Purpose: Carry almost anything comfortably on your rolling suitcase. This simple yet unique design will hug your bag/parcel securely preventing slipping or swinging from side to side.

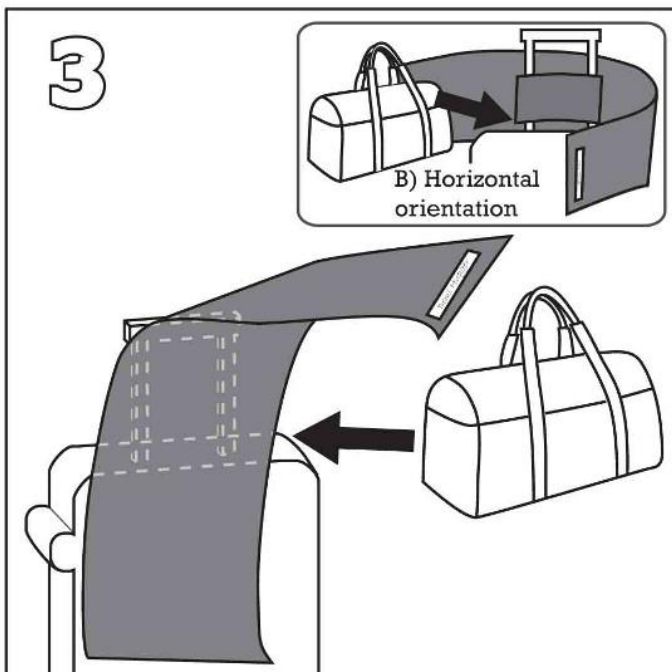

Patent Protected 9,622,560 B2

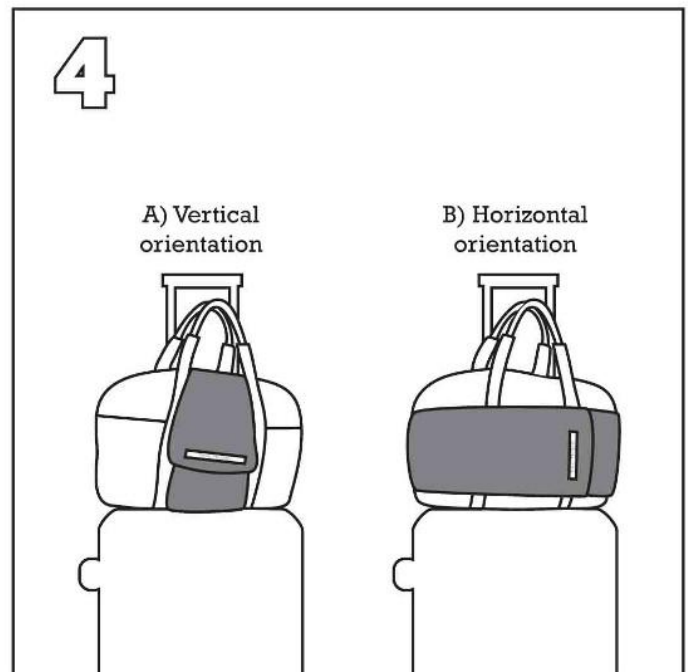

1. Extend the retractable handle of your rolling suitcase.

2. Slide the hugger sleeve opening over the retractable handle.

3. Place your bag on the suitcase.

4. Wrap the bag with hugger and secure with the hook tab.

There are two ways to use the hugger:

A) Vertical orientation to accommodate gym bags, duffels, shopping bags, purses and more.

B) Horizontal orientation will accommodate boxy items, purses and more.

Testimonial

"I travel to South America several times a year, but this time it was different. It was easier! The Demi Hugger really came in handy with my additional luggage safely strapped to my carry on handle. I definitely will buy one when they come out."
